Citing Sources

There are also copies of "A Basic Guide to the Research Paper" at the reference desk and on reserve. Just ask us.

Journal Locator

In our databases, click on "Find a copy," or "Check for availability in other Penn College resources" to see if the article you need is full-text in another database or here in the Madigan Library collection. If you are not in a database, use the link above to look up the title of the journal, magazine, or newspaper.

Evaluating Quality on the Web

A friendly guide from Walt Howe, Internet guru and husband of librarian Hope Tillman!
