Activity: What’s on Your Mind?

1. What do you want to find out?
   Example: What is going on in Williamsport?
   ________________________________________________________________________________________________
   ________________________________________________________________________________________________
   ________________________________________________________________________________________________
   ________________________________________________________________________________________________

2. What questions do you want to answer about the topic you identified in number 1 above?
   Example: What can my friends and I do this weekend? Later this month? Next month? What types of activities or events are going on? What days and times are events happening? What are the locations? How much does it cost to get in?
